<sup>1</sup> In addition, plaintiff filed an administrative sealing motion in connection with its application for a temporary restraining order. (Dkt. No. 14.) Specifically, plaintiff seeks to seal documents containing the alleged trade secrets that are the subject of plaintiff's instant application and upcoming motion for preliminary injunction. These documents contain personal information, including names, address, account numbers, account balances, and investment portfolio data, belonging to plaintiff's clients. The private nature of this information constitutes compelling. Accordingly, plaintiff's administrative motion to seal is **GRANTED**.
